after rebate\*

## Casio C811 Commando

\$199.99

- Rugged, Waterproof Body
- 4" HD Touchscreen
- 1.5 GHz Dual-Core Processor
- Android 4.0 Ice Cream Sandwich
- M3, T4 Hearing Aid Compatibility
- 8 Megapixel Rear/1.3 Megapixel Front-Facing Camera
- 16 GB Storage

Want a durable phone that suits your lifestyle? The Casio Commando meets Military-grade shock (drops of 1.5m), immersion (1m, 30 min exposure), dust, vibration, salt, humidity, solar radiation, and temperature durability standards. Plus it has the easy-to-use Android operating system you love. For peace of mind choose the Casio Commando.

**\$254.99**  
after rebate\*

## Apple iPhone 5

\$429.99

- 4" Retina Touchscreen with HD graphics
- Apple A6 Processor
- iOS Operating System with Siri Personal Voice Assistant
- M4, T4 Hearing Aid Compatibility
- 8 Megapixel Camera with 1080p HD Video Recording
- 16 GB Storage

Experience the operating system you love on a larger 4" screen. Powered by Apple's A6 processor, the 5 is twice as fast as the 4S. Using Siri you can search the web, send texts, set meeting requests, and more using voice commands. The easy-to-use iOS operating system, iTunes music player, and Apple App Store make the iPhone an enjoyable smartphone experience.

\*Must keep service at same level without downgrading for 12 months. If service is downgraded or cancelled before 12 months the full rebate amount will be charged back to the customer's account.

## LG G Vista

\$229.99

- 5.7" HD Touchscreen
- 1.2 GHz Qualcomm Snapdragon Quad-Core Processor
- Android 4.4.2 Kit Kat
- M4, T4 Hearing Aid Compatibility
- 8 Megapixel Laser Focus Rear/1.3 Megapixel Front-Facing Camera
- 8 GB Internal Storage with Expandable Memory

Experience your media the way it's meant to be seen on the Vista's brilliant 5.7" HD display. Even though the Vista features a large screen, you'll notice how well it fits in your hand and you'll appreciate the convenient rear power and multifunction keys. The large 3200 mAh battery will keep you going strong all day without requiring a recharge. The Vista is the perfect productivity smartphone with all the bells and whistles for fun and games too.

rebate!\*

## HTC Windows 8X

\$149.99

- 4.3" LCD Touchscreen
- 1.5 GHz Qualcomm Snapdragon Dual-Core Processor
- Windows Phone 8 Operating System, Upgradeable to 10 Later This Year When Released
- M4, T4 Hearing Aid Compatibility
- 8 Megapixel Rear/2.1 Megapixel Front-Facing Camera
- 16 GB Storage

Windows Phone offers a user-friendly interface with live tiles that automatically update to show information important to you. You'll like the stylish, easy-to-grip body with shaped glass front. Your songs and videos sound better thanks to the included Beats Audio speakers and high-power amp. High-end features like NFC, wide-angle camera, and Xbox integration make this phone a great easy-to-use option.

**\$179.99**

rebate!\*

## LG G2

\$279.99

- 5.2" HD Touchscreen
- 2.3 GHz Qualcomm Snapdragon Quad-Core Processor
- Android 4.2.2 Jelly Bean
- M4, T4 Hearing Aid Compatibility
- 13 Megapixel Rear/2 Megapixel Front-Facing Camera
- 32 GB Storage

Discover high-end specifications in a thin, compact design. The ergonomically-positioned rear control buttons let you power on and off and adjust the volume easily with your index finger. Unique features like double tapping the screen to wake the phone and wireless charging capability help solidify the G2 as a flagship Android device. You'll notice the advantage of the included Quad-Core processor when downloading files and surfing the web with lightning-fast speeds.

\*Must keep service at same level without downgrading for 12 months. If service is downgraded or cancelled before 12 months the full rebate amount will be charged back to the customer's account.
