Smithville Internet just got better!

Discover a better way to do TV with Smithville Streaming TV*—providing local entertainment on a variety of wireless devices. Get access to your favorite local channels using your iPhone, iPad, Android phone, Android tablet, or Amazon Fire TV Stick.

With Smithville Streaming TV, you don't have to pay for a set top box or those hundreds of cable channels you didn't want in the first place. There's no charge for installation, no contracts are required, and no appointment with a technician is needed.

Call us today for more info!
(800) 742-4084

Now includes *Restart* and *Catch-up!* 

Restart allows you to join a program any time and restart to the beginning.

Catch-up allows you to scroll back in the guide at least three days and watch programs you missed earlier in the week. *Networks have the option to block certain shows from this service.*

*Smithville Streaming TV works only with a residential Smithville internet connection with download speed of 5Mbps or greater. Works on multiple devices. Limited availability; ask a customer service representative if Streaming TV is in your area.
